

NSM Catalytic* Connections Event

Natural Science and Mathematics students are invited to meet with a select group of companies interested in your skills, talents and interests!

Come increase the *positive reaction* you get from employers through networking!

Date: February 17th
Time: 11:00 to 1:00 pm
Location: SCI III building

**Catalyst-n. substance [event!] that modifies and especially increases the rate of a reaction.*

EMPLOYERS - REGISTER NOW!
